## THE WRIGHT—PEHRSON SALE.

---

The Wright-Pherson Sale presents an excellent opportunity for coin, medal and book collectors to enrich their cabinets. Dr. Wright's foreign medals include some of rarity and interest. His book collection is strong in books on ancient coins, particularly those of ancient India, and also on Heraldry. Many rare pamphlets and sale catalogues are offered also. The Pehrson collection includes some books and pamphlets of interest and value to the student and collector. This sale is notable as containing the largest and finest collection of paper money I have ever offered. This section includes the Wright collection, a Long Island Consignment, an old West-sider's and a fourth small collection, and presents the best lot of Confederate and private issues offered for a long while. A group of interesting Ancient gold and silver coins is listed, while another collector has consigned a most interesting lot of choice siege or necessity pieces, which, with a group of war medals, would seem a timely offering during these days of stress. I notice among special items a 1794 U. S. Dollar, an uncirculated 1864 gold dollar, 50-\$3 Gold; a very fine Swedish 4 Dalers plate coin, Rare Jackson token, Low 155, and an Indian Peace Medal in Silver. The sale ends with an unusual collection of over 200 mint marked United States coins. The 2,000 odd lots are sufficiently diversified to attract almost all classes of collectors. Kindly give the catalogue your attention, and do not fail to mail your bids early as the postal service at this end is badly demoralized, causing many losses or delays.

Our next sale will be a tremendous collection of Weapons, Antiques, and Coins, the properties of several estates and individuals. Particulars later.

## CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per **PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

Auction sales are **strictly for cash**. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

**Be sure you bid on the lot you wish to buy.**

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing and shipping, but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

Printed price catalogue of this sale for \$1.25 cash in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer. THOMAS L. ELDER.

### WILLOW TREE SHILLING.

- 1827 1652. Willow tree. MASSACHUSETTS IN. Rev., NEW ENGLAND. AN DOM 1652. XII. Good. This shilling formerly was the property of Mr. J. W. Scott of this city who exhibited it at the exhibit of American Coins at the American Numismatic Society. For this exhibit he was awarded the Society's medal. After disposing of his coin business it came into my hands and was first offered in a sale of mine and bid in by C. H. Stearns, of Boston, Mass., for around \$65.00. He did not take up the coin nor did he offer to pay for it. Then I put it up again and it was bid on and allotted to one E. S. Boyden, of Chicago. Said Boyden showed the coin around and finally returned it to the cataloguer by ordinary mail, not registered even. We made a draft on him later, which was not paid. That we have taken Messrs. Stearns and Boyden's names off our books for good goes without saying. We do not care to do business with them.

The coin is absolutely genuine and vouched for by Mr. Howland Wood, the Curator of the American Numismatic Society. Mr. Scott held it at \$100. It is now offered for absolute and final sale. As is common with all these rare pieces parts of the coin are rather weakly struck. It was never in better state. **Plate.**

## YOUR COLLECTIONS SOLICITED FOR AUCTION.

---

We do not ask you to let us have your collection to hold anywhere from one to two years before offering it for sale (you losing the interest on the investment in the meantime). Any ordinary collection we can catalogue and successfully sell within about 60 days of receipt. We are noted for promptness and for splendid price averages. Don't forget, the greatest record for a sale of United States Cents was made by the Elder Coin & Curio Co., in the city of New York, and not somewhere else. We hold the world's record price for a United States Half Cent also—\$710. New York is THE place to sell your coins, and we can get THE results and don't forget it.

---

The Elder Coin & Curio Company stands ready also to buy your collection for cash, or will make a cash advance on it if turned over to us.

---

So far the war has not affected coin prices. We are getting as good prices as ever.
